Educational Media Center

Yearly Statistics

Year: FY 11-12

Video/Audio Duplications	Video Productions	Equipment Checkouts	Equipment Transfer	Laminations	Transparencies	Studio Productions
199	78	73	15	174	34	2

Social work and Counseling students continued to request media services in the form of taping interviews with classmates as clients. Mr. Brown videotaped COBA students' assigned workshop presentations detailing the specifics of Logistics and Survey Analysis. The purpose of the tapings was to assist in the evaluation and critiquing of the students. There was also an increase in video made available for viewing on Media Center website. Equipment checkout was at normal, expected rates.
