- Minimum -- the number that represents the minimum level of service that you would find acceptable
- Desired -- the number that represents the level of service that you personally want
- *Perceived* the number that represents the level of service that *you believe* our library currently provides

For each item, you must EITHER rate the item in all three columns OR identify the item as "N/A" (not applicable). Selecting "N/A" will override all other answers for that item.
