

A background collage of black and white photographs of Black students from the 1970s. The images show students in various settings: some standing outdoors, some in a classroom with a chalkboard in the background, and others in a library or study area. The photos are faded and layered, creating a historical feel.

# 1974

## ASU TIME CAPSULE *Symposium*

Join us for a special Black History Month presentation that delves into the rich history of Alabama State University!

Come connect the past to the present as ASU experts highlight specific artifacts retrieved from the 1974 Time Capsule.

**THURSDAY, FEBRUARY 19, 2026**  
**10:00 - 11:30 a.m. // LWLC Lecture Hall**
